

# **RESEARCH IN SPECIAL EDUCATION**

## ABOUT THE AUTHORS

**Phillip D. Rumrill, Jr., Ph.D.**, is an associate professor and Director of the Center for Disability Studies at Kent State University. Dr. Rumrill received his bachelor's and master's degrees from Keene State College in New Hampshire and his doctorate from the University of Arkansas. His professional work experience includes residential services for people with developmental disabilities, substance abuse counseling, and assistive technology training for college students with disabilities. Dr. Rumrill's research interests include the career development implications of disability, transition services for adolescents with disabilities, and disability issues in higher education. He has authored or co-authored more than 100 professional publications, including books entitled *Employment Issues and Multiple Sclerosis*, *Research in Rehabilitation Counseling*, *Emerging Issues in Rehabilitation Counseling*, and *Multiple Sclerosis*. Dr. Rumrill has received awards for his research and program development efforts from such organizations as the National TRIO Foundation, the National Association of Student Personnel Administrators, and the National Multiple Sclerosis Society.

**Bryan G. Cook, Ph.D.**, is an assistant professor of Special Education at Kent State University in Ohio. Dr. Cook received his bachelor's, master's, and doctoral degrees from the University of California, Santa Barbara. His professional work experience includes teaching youths and adolescents with a variety of disabilities in educational and residential settings. Dr. Cook's research interests include policy issues regarding individual differences in education, as well as society at large. He has authored numerous journal articles in the fields of special education and disability studies, and he is a frequent presenter at national and international conferences. In 1999, Dr. Cook received an Initial Career Research Award from the United States Department of Education, Office of Special Education Programs. He also serves as Co-Editor of the Council for Exceptional Children's Division of Research newsletter, *Focus on Research*.
