Dear Parents,

I thought you would want to know that the \$100 tech/book fee you paid at Orientation was used to purchase a new religion book, a variety of consumable books (such as writing) and fifteen new computers for our computer lab. Some teachers received new laptops, which were purchased with Annual Fund monies. Last year, the tech/book fee was used to purchase our Go Math series.

Have you received the materials for the magazine sales? No? That is because we will not be selling magazines this year. Please remember this when we have other fundraising events. We have reduced the number of fundraising activities. We are still concerned about our finances but we don't want to inundate you with fundraising. It is our hope that we will get strong support for the activities we will have during the school year.

~ We will have an Open House on Tuesday, September 6 beginning at 6:30 PM in our Parish Center. After some opening remarks, your child will bring you to their classroom to meet their teacher. We should wrap things up between 7:15-7:30.

~ A reminder to return your child's lunch order for the next three weeks. This change has been significant for us and we continue to tweak the process and the menu.

~ A big thank you goes to Bill and Linda Lehnert for repainting the butterfly house and placing it by the butterfly bushes on the west side of the school.

~ As a reminder, we will have an 11:30 dismissal on Wednesday, September 14. There will be no LAP.

~ Thank you for a great start of our school year. We appreciate your cooperation.

Respectfully,

Josh Ebener, Principal

Lunch Pre-order Form

Below is the form to order your child's lunch for the next three weeks. After this three week period, we will maintain a six week rotation and tweak the lunches from Hy-Vee based upon the students' level of consumption. For example, most students did not like the cornbread we had with the chili, so we will substitute crackers for the cornbread for the next round.

Please return this form to your teacher on **Tuesday, September 6**. If your child will not eat any hot-lunches, it will still be helpful if you return this form with your child's name and no check marks.

Please fill in your child's name (one form per child) and place a check mark for the days your child wants to purchase lunch, which will be \$3. Place two check marks, if your child wants two main entrees, which will be \$4.25 for a double.

Milk will be an additional .30.

Thank you.

Have you been at LFS long enough to feel like you know your way around the school?

We are looking for volunteers to be **MENTORS** to new families.

Besides being a friendly welcoming face (you could invite the new family to meet/sit with you at events), some of the topics we think new families might have questions or concerns about are

TAG lunches, classroom parties

Engrade, GO Math, other online resources

Catholic Schools Week, Grandparent's Day, other non-PTC events

And if you're not sure of the answer you can always direct the new family to appropriate resource (classroom teacher, principal, etc.)

If you are willing please fill out this form and return to the school office by tomorrow Friday (September 2) or email or text Colleen Olson at clo2004@gmail.com or 269.519.4588.

We're looking for 19 mentors so don't be shy. Thank you!!!!

Yes I am willing!
